our community's history and
culture"*

ABOUT US

BRANDON MUSEUM INC. HISTORY

Brandon Museum Incorporated, a non-profit organization was formed in 1976. The organization took over the original residence of Brandon's first mayor, Thomas Mayne Daly. After two years of restorative work on the building, the Daly House Museum (DHM) was opened to the public in 1978. Over the past forty- four years, the Museum has contributed to the community by protecting and preserving Brandon's heritage for future generations.

OUR MANDATE

The mandate of Brandon Museum Inc. is to collect and preserve artifacts and documents that stimulate an increased interest in the history and culture of Brandon with a primary but non-exclusive focus on the period of 1880 to 1920.

OUR MISSION

The mission of Daly House Museum is to act as the repository of the community's memories, a unique resource for researchers and educators and to present a living history that both entertains and stimulates learning.

OUR VISION

Inspire enthusiasm about our community's history and culture

Brandon Museum Inc. wishes to acknowledge and honour the fact that Daly House Museum is situated upon Treaty No. 2 Territory. We acknowledge the territory as the traditional shared land of the Cree, Oji-Cree, Asnishinaabeg, Dakota, Dene Peoples and as the homeland of the Métis Nation.

About

Gathering in the Garden: A Landscape Celebration

Set amidst the lush foliage and historic setting of Daly House Museum and Garden, the Gathering in the Garden event will have a secret garden theme. It will be in the form of a cocktail party rather than a traditional sit down occasion. Guest will enjoy a silent auction, a wine auction, music entertainment, a free tour of the Weiming Zhao exhibit, and a chance to enter a 50/50 online raffle with an early bird draw of a family photography session with Keywest Photo: Images by Design valued at \$200.00 to be drawn that evening.

The sole purpose of Daly House's Gathering in the Garden is to raise critically-needed funds to support of the museum and garden. Funds will further our mission of being the repository of the community's memories, culture, and a community gathering place. This year, we will celebrate the 140th anniversary of Brandon's last pre-1900 house on 18th Street with the unveiling of a permanent outdoor exhibit "*A Landscape History*". The photographic exhibit will explore history of the museum site from pre-settlement to modern times.

We invite you to partner with us by generously supporting the Gathering in the Garden. The proceeds of your sponsorship will allow us to continue our mission to keep Brandon and Western Manitoba's history alive.
